September 2022

Dear Shihiya Parents/Caregivers:

There are times during the school year when the children will have the opportunity to visit the Shihiya Outdoor Classroom (Kekuli), Splatsin Community Centre, and Enderby Library. These trips will be related to the unit of study that the class is exploring. This is a wonderful way to expose the children to local resources and relationships between curriculum and community. Your written permission is required for your child to participate throughout the school year. Please fill out the form below and return to your child's teacher. Kukwstsámc! Thank you!

I give permission for my child to accompany his/her class on all of the above-mentioned field trips planned and supervised by Shihiya School for the 2022-2023 school year.
