Waytk (hello),

On behalf of the SDC Classic Golf Committee, I am writing this letter to extend an enormous, heartfelt “kukstsámċ” (thank you) to everyone that contributed to this year’s 6th annual golf fundraiser. We were blessed with sunny skies, warm temperatures, and no wind – making for a beautiful day of golf, followed by a great meal on the MaraHills patio.

I would like to thank all our valued clients, vendors, partners, dignitaries, and attendees. Your sponsorships, donations, and participation helped make this year’s event our most successful tournament to date! We are so proud to announce that this year, thanks to you, we will be donating \$26,874.78 to the Splatsin Youth Recreation program. Outstanding!

The Splatsin Youth Recreation program provides opportunities for local indigenous youth to participate in an array of programs and events, promoting their “TEAM” principle: togetherness, encouragement, activities, and mentorship. If you were in attendance this year, you would have heard from Kyle Crump, who spoke on behalf of the Splatsin Youth and outlined just how much your support means to the community.

Again, thank you so much for your generous contributions, and your continued support of Splatsin Development Corporation and the Splatsin Community. We look forward to next year’s SDC Classic and hope to see you all in attendance!

Kukstsámċ,

I would like to thank everyone for participating in our SDC Golf fundraiser. It was a pleasure to meet everyone. Thanks to the generous contributions, our youth will be able to enjoy the after-school activities either for more sports equipment, field trips to a Canucks game or a myriad of other recreational activities. You have paved the way towards reconciliation by showing up and offering encouraging words to our youth and elders. Looking forward to crossing paths throughout the year and already looking forward to next years' golf event.

On behalf of the SplatSIN Recreation Department and our Community's youth, I want to say a heartfelt "KukstsámC (Thank you)" to the SplatSIN Development Corporation for organizing the SDC Classic and donating the funds raised to the SplatSIN Recreation Department. Additionally, we would like to extend our gratitude and thanks towards the sponsors and partners who generously provided donations. Partnerships are crucial to the success of the SplatSIN Recreation Department. These funds will undoubtedly provide SplatSIN Youth with many recreational opportunities that are a direct result of these relationships!

With Gratitude,
