SPLATSIN FISHERIES UPDATE & REFLECTIONS

Salmon Canning Day Event Complete!

On May 23, 2023, Yucwmenlúcwu hosted a salmon canning day to use the remaining fish from last year's harvest and to teach how to prepare and pressure-can salmon. More than a dozen people came out to be a part of this event graciously taught by Elizabeth Brown.

Thirty-two (32) salmon were canned and will be distributed later by Splatsin Title and Rights.

Yucwmenlúcwu participated in the Sturgeon Release in Shelter Bay and at the Hill Creek Spawning Channel counting the out-migrating kokanee fry. Over 1.2 million fry left the channel over two nights.

Recent meetings attended:

- May 4: Gave Presentation on the Fisheries Program to the Elders Group.
- May 15: Visited the Nakusp Archives looking for Splatsin fishing history.
- May 17: Sturgeon Release in Shelter Bay.

2023 ELDERS GATHERING

AUGUST 15-23, 2023
VANCOUVER CONVENTION CENTRE
CRAFT BOOTHS AVAILABLE

Elders Gatherings are a wonderful time for people to visit and exchange memories and knowledge, to create new friendships and to renew old ones. These Gatherings provide a chance to gain perspective on how other First Nations live.

The purpose of the Gathering is the need for Elders throughout the province to have inter-social and community links that bind them together as a Nation. It allows them to intermingle with like-minded, like-aged individuals and their families, to reveal common grounds that strengthen those links.
