**Re: BC Firefighter Killed while Battling Wildfire near Revelstoke**

On behalf of SplatSin Development Corporation, I am saddened to learn of the passing of a BC firefighter after being hurt responding to a wildfire located outside of Revelstoke, BC.

Our entire team expresses our heartfelt condolences to the family, friends, and colleagues of this courageous indigenous woman who lost her life while protecting others.

We honour her sacrifice and send healing thoughts to her fellow firefighters and her home community.

We look forward to the results of the investigation underway by Worksafe BC and the RCMP such that insight may be derived to prevent this tragedy from occurring in the future.
