This year, we are excited to launch our "Collaborative Learning Blocks" on Tuesday and Thursday afternoons! As a result, students will now have scheduled and structured Physical Education programming weekly! We will be using a variety of facilities in the community and accessing guest instructors / special programming to create a high quality Physical Education Program for our students.

November – Pellic7ell7ullcwten Themes

Coyote reminds us that everything and everyone is connected to the sun.

-When we take care of the earth, water and sky, the earth, water and sky take care of us-
