

Splatsín Stsmamlt Advisory Committee

Join Us in Shaping the Future of Our Splatsín Community!

About Us:

We are the Splatsín Stsmamlt Advisory Committee (SSAC), a newly formed community-based group committed to the well-being of Splatsín children and families. Our mission is to strengthen families and nurture a thriving Splatsín community centered on healing and holistic well-being.

To do this important work, we will be focusing our efforts on the following priorities:

Community Connection and Well-being: We aim to promote self-confidence, unity, and a sense of belonging through cultural activities, community events, and wellness programs, enhancing community connection and overall well-being.

Education and Skills Development: Our focus is on advancing the holistic development of our community by prioritizing education and skills development, with an emphasis on culture and language, life skills workshops, and mentorship.

Family Connection and Prevention Services: We are dedicated to promoting family healing and community well-being. We achieve this by enhancing prevention and support services to strengthen families and ensure the safety and stability of our community members.

SSAC Governance and Sustainability: To strengthen the committee's advocacy efforts, we work towards fair governance and representation of community members. We advocate for resource allocation and effective strategy implementation.

Promotion and Advocacy: We actively advocate for the well-being of our community and create the conditions for current and future success. Our efforts include advocating for necessary facilities, developing effective communications, assisting with support organization navigation, and supporting youth transitioning into adulthood.

Your Voice Matters: Help us make a difference by sharing your thoughts. Participate in our survey to guide our community initiatives.

At SSAC, we believe in the power of collective wisdom and community collaboration. Every member of our Splatsín community has unique experiences, insights, and aspirations. Your perspective is invaluable in shaping the direction of our committee's work.

By participating in our survey, you become an essential part of our mission to support Splatsín children and families. Your feedback will help us create opportunities to meet your needs and wants effectively. We are committed to ensuring that our actions align with the desires and aspirations of our community members.

The survey deadline is Friday, December 8th, 2023. There are 3 prizes available for Splatsín members (18 yrs +). Winners will be announced on December 11th.

- 1. 1st Prize - \$500**
- 2. 2nd Prize - \$300**
- 3. 3rd Prize - \$200**
