Tsilem Funding 2024-2025

Splatsin Stsmamlt Services is pleased to announce the implementation of the Tsilem (the same, similar, equality) Fund. The purpose of the Tsilem Fund is to help support families so Splatsin Stsmamlt (children) can participate in activities that will enrich their lives and help build strong, independent Splatsin People. We believe that all Splatsin Stsmamlt (children) should have equal opportunities and should not be limited due to financial restrictions that impact access to these opportunities.
