

General Labour Pool (GLP)

THE OPPORTUNITY

Splatsin is currently undergoing growth. As such, we are looking to create a pool of Splastin band members who would be able to carry out a variety of general labour tasks. The view of this pool is to have band members who would be fully hired and immediately available to fill our needs, including new construction tasks, maintenance activities, support to other band members, and ad-hoc tasks. Once hired, GLP employees who are missing necessary skills or certifications (such as, safety training, WHMIS, first aid, transportation of dangerous goods, confined space, working from heights, and defensive driving), will be paid to attend any required training. GLP employees will also be provided job-specific training each time that they start a new activity. Some examples of tasks that a GLP employee might do are:

- Landscaping.
- Using basic tools and machinery.
- Clean up.
- Janitorial.
- Painting.
- Drywalling.
- General construction.
- Driver.
- Traffic control.
- Helper/assistant to an electrician, plumber, HVAC, carpenter, gas fitter, or a roofer.

OUR "MUST HAVES" THAT MAKE YOU GREAT

- Be a Splatsin band or community member.
- Have knowledge of the Splatsin community.
- Be reliable and punctual.
- Possess strong customer service values towards other members of the Splatsin community.
- Be a team player.
- Have good work ethic.
- A BC driver's licence, with a clean driver's abstract (for driving tasks only).

If you are a reliable, team player who enjoys a dynamic work environment, we would like to hear from you.

Job Type: Casual, 0-35 hours per week.

Pay: \$25.00 per hour.

Schedule: Open availability. However, most tasks will occur Monday to Friday, during normal work hours.

Work Location: In person and various locations in the community.
