

Hello, My Relations!

Check out this incredible opportunity to join the Interior Health team!

Lead, Indigenous Mental Wellness ID 02121769

The worksite location for this position is flexible and can be located anywhere within the Interior Health. Travel is a requirement for this role.

Salary range for the position is \$88,990 to \$127,923.

Interior Health establishes salaries within the salary range based on the applicant's qualifications, experience, and an internal equity review of the salaries of other employees.

This role offers an exciting opportunity to foster meaningful connections with Indigenous Partner Health representatives, enhance Mental Health & Substance Use (MHSU) services and contribute to the ongoing development of culturally informed healthcare practices. By working together with community leaders, MHSU operations, and Indigenous Patient Navigators MHSU, you will play a key role in improving health outcomes and creating safe, supportive spaces for Indigenous clients. The Lead, Indigenous Mental Wellness provides clinical expertise and leadership to programs and services within Indigenous Mental Wellness (IMW) and MHSU Transformation. The Lead develops and recommends program plans, standards, and priorities by collaborating with partners to support effective implementation. For the full description please see link at bottom left.

Qualifications:

- **Master's degree in a clinical area.**
- **Five years of recent, relevant experience in mental health and substance use.**
- **Alternatively, an equivalent combination of education, training, and experience that pertains to Indigenous mental health and substance use.**
- **Valid BC driver's license. Access to a personal vehicle may be required. *Please include a copy with your application**
