JUNIOR YOUTH RECREATION PROGRAM

Occurring on Wednesdays from 3-5 pm, this program is for youth ages 7-14. It is geared toward introducing Splatsin children to the Recreation Program at an early age in order for our staff to develop strong connections for future programming opportunities.

SPORT DEVELOPMENT PROGRAM

For ages 10-18, this program is open to Splatsin youth who are interested in developing their interest and skills in a variety of sports. Secwépemc Landmarks Project Reveals Phase II Sculptures

Several sculptures were unveiled in fall 2024, with the collaboration of numerous project partners.

The unveiling of Steltegixús (Chase Creek Falls) on September 27, 2024, brought together local leaders from Cstélnec (Adams Lake Indian Band) and the Village of Chase, alongside Elders, youth, community members, and artisans from Secwepemc communities. The event followed recent trail upgrades, which were thoughtfully designed to minimize impact on aquatic life by moving the trail away from the creek bed, improve accessibility for individuals with mobility challenges, and enhance safety for future recreation users.

Mayor David Lepsoe and Chief Lynn Kenoras-Duck

Secwépemc artisans Tania Willard and Kel-c Jules

The Qw7awt unveiling on October 24, 2024, took place along the sunlit shores of Quaaout Lodge on a stunning fall day. Kukpi7 James Tomma and the Tkwemiple7 of Little Shuswap Lake Band spoke about the significance of language and the power of collaboration in fostering unity.

Skwlāx Elders and youth came together to unveil the sculpture and light the ceremonial fire, marking a moment of shared tradition and connection. Secwépemc artisan Tania Willard reflected on how the site visits, guided by the Elders Advisory Committee, inspired the sculpture's design—drawing from the plants, animals, and oral histories of the land. Her vision was for the sculptures to be interactive, with each featuring an element that can be lit by fire, propane, or potentially solar energy.

There are five more sculptures to be unveiled in spring and summer 2025 and posters will be submitted with more information closer to those dates.

The Secwepemc Landmarks are monitored by the Guardians program at numerous local Secwepemc communities and the trails are managed by the Shuswap Trail Alliance. For more information, please visit <https://shuswaptrails.com/>
